

Hakuba Goryu / 47

Located with 300 metres of the AQUA Alpine hotel this is one of the largest ski resorts in Hakuba, with snowfall from Mid November to early May. Goryu and 47 are twin resorts with modern facilities and great runs including; two gondolas, 17 lifts and 23 courses. The terrain on these linked resorts is impressive and rates highly amongst skiers and boarders alike. Because of their north-westerly facing direction, the resorts receive an abundant amount of high quality dry powder and spectacular back country opportunities, no to mention night skiing on Goryu until 10pm.
